Sir:

INTERVIEW SUMMARY

Applicants' attorney, Justin Petruzzelli, Reg. No. 52,118, and Examiner Thomas D. Lee had telephone conversations regarding the above-identified patent application ("the Application") on November 3, 2005, November 15, 2005, and December 1, 2005. The substance of these conversations involved the current status of the Application, in which Examiner Lee informed Justin Petruzzelli that the Application has been allowed, but that the Notice of Allowance has yet to be mailed. The merits of the Application were not discussed in any of these conversations. Accordingly, no exhibits were shown, and no claims and no prior art were discussed.

Applicants await receipt of the Notice of Allowance, and no action is believed due on Applicants' part to keep the Application in force.

Respectfully submitted,

Justin Petruzzelli
